

COMMERCE DEPARTMENT

Every Journey invariably starts with a single step and the Journey to scale great heights needs relentless efforts. With the same determination, we embarked on a Journey in 1995 by setting up Commerce Department with a three-year Diploma course in Commercial Practice. In the Academic Year 2022-23, the Diploma Level course has been upgraded to Degree Level Programme and offered B.Com (General) Degree with an intake of 60 students.

The Department has adequate highly qualified, competent faculties who are dedicated to the academic and overall development of the Women's student community. The teaching highlights of the faculty of our department are Learner - centric, ICT enabled, Project-based, continuous assessment, comprehensive & realistic evaluation.

VISION

The Commerce Department is committed to integrate all facets of commerce and management. To educate and train students to become competent human resources suitable for industry and to equip and encourage them to start their own ventures.

CAMPUS RECRUITERS

CAMPUS FACILITIES & ACTIVITIES

IITB REMOTE CENTRE

In order to conduct the online courses, expert lectures, interaction with renowned faculties, two e-Classroom facility is operational in our institute. These facilities are equipped with latest high-end configuration computer systems, LCD Projector, public addressing system & video conferencing facility.

"Do not lower your goals to the level of your abilities. Instead, raise your abilities to the height of your goals."

- Swami Vivekananda

ABOUT THE INSTITUTE

The Women's Engineering College, Puducherry (erstwhile Women's Polytechnic College, Puducherry) bred from its embryo in the year 1988 with one conventional Course of Computer Engineering affiliated to Directorate of Technical Education, Chennai, Tamilnadu. Later, four more Courses namely Electronics and Communication Engineering, Architectural Assistantship, Modern Office Practice and Electrical & Electronics Engineering paved its way into the system.

The Institute is administered by the Directorate of Higher and Technical Education through Pondicherry Institute of Post Matric Technical Education (PIPMATE) Society, Government of Puducherry and is affiliated to the Puducherry Technological University, Puducherry. With the approval of AICTE, New Delhi the B.Tech degree courses are introduced from the academic year 2022-23. The curricula and entire academic control of these courses would come under Puducherry Technological University, Puducherry. Also the Government of Puducherry approved to upgrade the course Diploma in Modern Office Practice into Bachelor of Commerce in affiliation with Pondicherry University, Puducherry from the academic year 2022-23.

TRAINING & PLACEMENT CELL

The aim of the Industry-Institute Interaction Cell is to provide good career opportunities to all the students of the institute. The department keeps close contact with potential employers and organises the campus placements for the students. Numerous leading companies from various premier industries participate in the placement process every year. The consistent positive feedback from industry shows that our students are successfully meeting their expectations for the professional roles assigned to them. We provide internship opportunities and on-site industrial training opportunities for the students along with training sessions for enhancing the skill-sets and performance of students.

Mr. D. Thirumurugan,
Training and Placement Officer
